## Equilibrium Quest

Complete this quest using the Challenge Levels 5-21.

## MISSION 1. GATHER YOUR INTEL

Use your Collisions gameplay experience to gather the following intel from specific Equilibrium levels:

1. Record the reaction.
2. List the disturbance that successfully completed each target.

## Balanced Chemical Reaction

## Target 1

## MISSION 2. EXPOSE THE DETAILS

Use your expertise to expose the following information for each target.

Equilibrium - Challenge Level 5
